

## European REACH Regulation (EC) 1907/2006

Nextys as a manufacturer of electronic power supplies and electronic devices, is a "downstream user" with regards to the **REACH** Regulation (Registration, Evaluation, Authorization, and Restriction of Chemicals). Therefore, Nextys is providing information only on non-chemical articles (products). In principle, Nextys is not subject to any obligation to register or to compile material safety data sheets.

Nextys hereby confirms that all its devices comply with the legal obligations regarding of the European REACH Regulation (EC) 1907/2006.

Nextys and all its suppliers will continuously review the actual **ECHA** (European Chemicals Agency) "Candidate List" for additions and updates and act accordingly in compliance with REACH regulations.

The actual candidate list is provided on the ECHA website at:

<https://echa.europa.eu/it/candidate-list-table>

The **SVHC** (Substances of Very High Concern) weight calculation is done in recommendation according to the - ECHA Guidance on requirements for substances in articles.

Nextys for all its devices there is no evidence to-date within our supply chain that contain articles with a substance which is listed in the ECHA "candidate list" SVHC that have >0.1% of weight (1000ppm).
